

CAMPAIGN: HEALTHCARE

New for 2021 we have launched 4 quarterly content campaigns. Within each campaign we will publish a broad range of articles, reports and webinars which examine the topic in depth.

HEALTHCARE

1st April to 30th June.

Open for content submission from 15th March – content deadline 14th June.

Articles can cover any of the topics below but are not restricted to these topics.

Specialist: Do you have specialist knowledge on the healthcare sector or one aspect of the sector? have you published research reports focused on the healthcare sector?

Requirements: What are the specific requirements and considerations when supplying the healthcare sector and designing products which answers the needs of this sector. What can interior designers do to ensure that they create successful spaces in these complex settings?

Future Healthcare: What does the healthcare sector look like post-COVID19? How has the healthcare sector changed over the last 10 years? What news developments have you seen in this sector?

Product: Have you launched products for the healthcare sector? Do you have new designs ready to launch?

Projects: Have you been involved in a healthcare sector project?

Production: Are you a manufacturer of products focused on the healthcare sector? Would you like to give us a virtual factory tour? What are the requirements for manufacturing for this sector?
