

## 2023 SERIES: HAVE YOUR SAY!

Design Insider recognises the exceptional expertise of Commercial Interior Designers and supports their work by publishing the latest knowledge, products, projects, news and events from within the commercial furnishing sector and by instigating conversations with the people who lead our sector.

Position your knowledge in front of our engaged audience by featuring in our Have Your Say series.

Each month we will share the opinions of Commercial Interior Designers and Suppliers focused on answering an important question.

We welcome you to be part of this series by answering any, or all, of these questions.

Each answer should be 50 - 150 words in length.

Please provide the name, position and company for the person answering the question, as well as a high resolution portrait image.

**March:** What was the best advice you received as a student?

*Copy deadline 31st March*

**April:** What does Milan Furniture Fair need to deliver in order to lead the international design event scene?

*Copy deadline 10th April*

**May:** What is your key sustainability consideration when addressing demolition and/or installation?

*Copy deadline 20th April*
