GROHE SPA

**SALUS PER AQUAM  
WELLBEING THROUGH WATER**

Nothing compares to the power of water —  
it is cleansing, invigorating and healing.

As a true elixir of life, water gives you precious moments of indulgent bliss. By harnessing these positive effects, you can switch off from the noise of the outside world to find peace for body, mind and soul. Immerse yourself in soothing water ceremonies, and inspire your senses to find equilibrium and hidden strength. Guided by the underlying belief that water is the source of vital energy, GROHE has revitalized GROHE SPA as a timeless sub-brand. A decade after the first launch, our passion for water is now even more tangible in every detail of each GROHE SPA product.

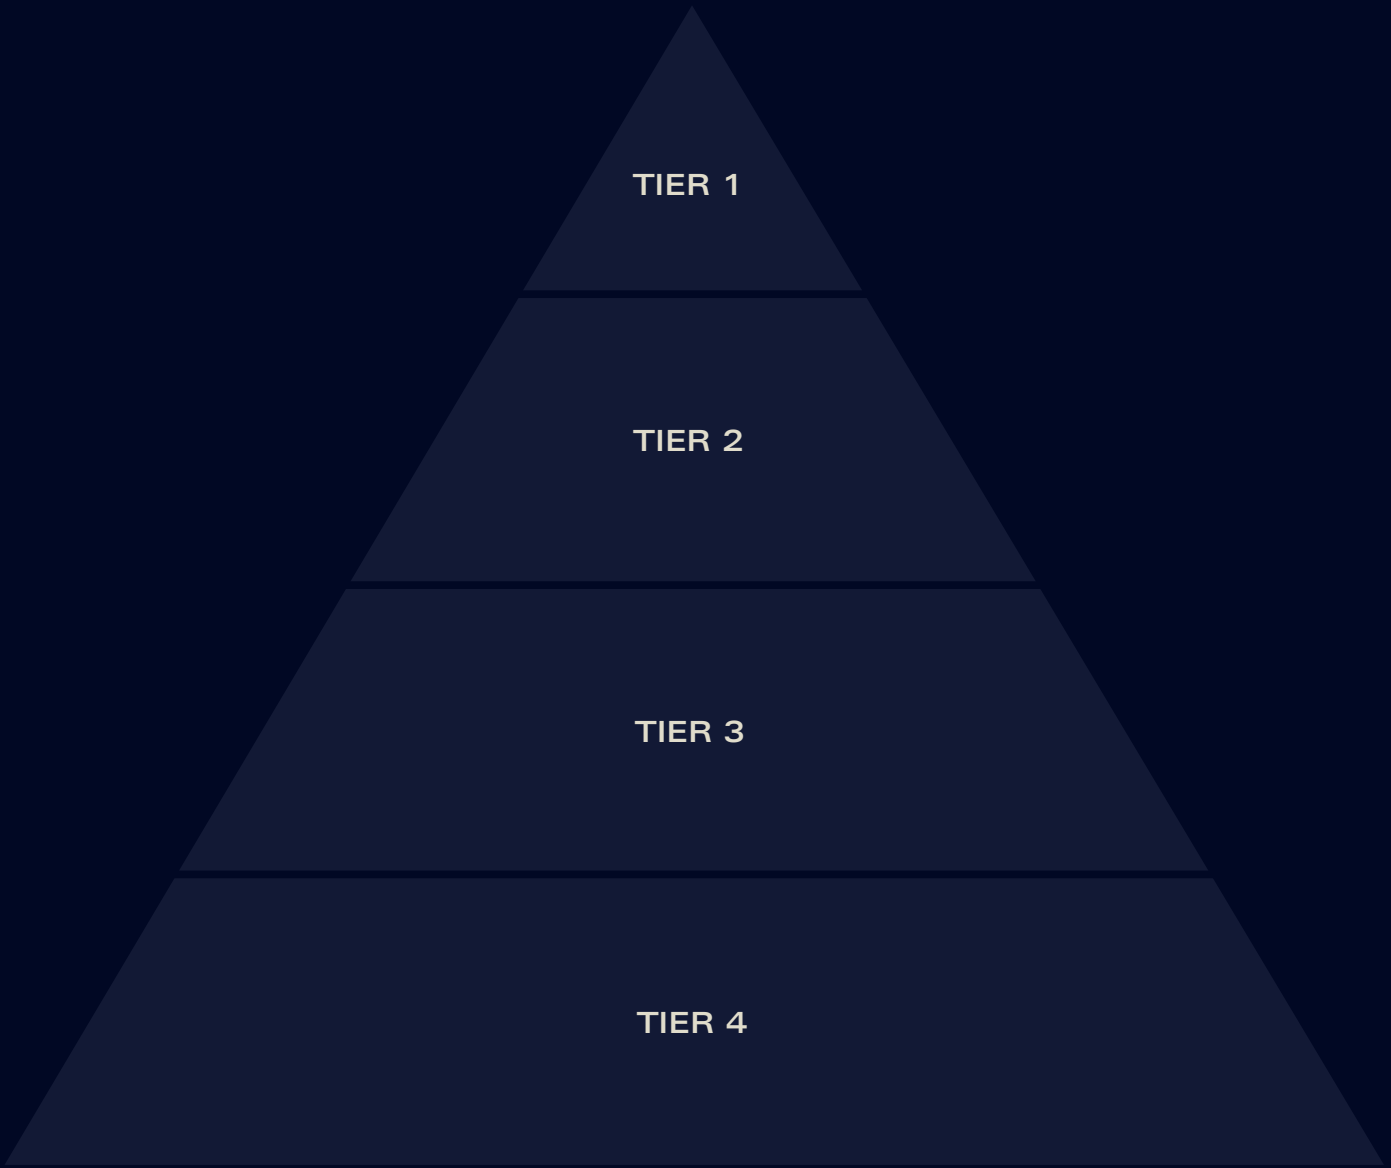

Aimed at architects, designers and specifiers, as well as high-end showrooms, GROHE SPA represents the apex of what we can achieve. We are redefining what is possible to lift innovation, technology and precision to uncharted levels.

We curate only the most exclusive, luxurious products to create exquisite places of retreat. Progressive designs are fused with carefully selected colors, materials and finishes. Versatile customization options transform the bathroom into a home spa, impeccably tailored to individual preferences.

GROHE SPA bathes us in blissful new multisensory experiences. Soothing, memorable and distinctive — just like the calming sound of water.
