

Zapotec

SEKERS Sekers is delighted to present ZAPOTEC, a collection of four exquisitely woven textured jacquard designs: Bernal, Puebla, Taxco, and Zincantan. Drawing pattern and colour inspiration from Sekers esteemed vintage archive, each design possesses its own charm whilst seamlessly complementing one another to create truly eye-catching interiors.

Embrace the classic elegance of Bernal, a timeless woven jacquard that introduces a modern twist to the classic Goose Eye pattern. With its bold lines and intricate detailing, this design serves as a focal point that effortlessly elevates any room. Step into a world of bold geometric shapes with Zincantan, putting a contemporary spin on retro interiors. Meanwhile, Taxco and Puebla add a delightful additional touch of texture to the collection with the two-tone semi-plain-woven jacquard of Puebla and the striking bouclé of Taxco. Further inspired from Sekers vintage archive, each design is available in six colours, from shades of taupe, mustard and forest greens to bold blues and contemporary monochromes.

The Zapotec collection is supplied Crib 5 and meets all relevant UK and USA standards for upholstery and accessories contract application. Embrace the modern twist on bold retro designs with Zapotec and create beautiful interiors suitable for marine, hospitality and leisure markets.
