# Sophisticated Simplicity in 16 mm, 25 mm and 38 mm

The EGGER Worktops Collection 2020 offers an exciting and versatile range of high quality and durable worktops. From walnut to oak and concrete to marble, there is a finish to suit every interior including kitchens, bathrooms, offices and retail.

This collection helps you create distinctive and design-led furniture and spaces with decors and textures that are virtually indistinguishable from solid wood and stone, but with all the hardwearing, hygienic, and easy to care for benefits of laminate. Matching splashbacks, upstands and edging provide the finishing touches to the overall design.

Our 38 mm postformed range has 24 decors in woodgrains and material reproductions. Six of these decors are also available in our elegant 16 mm square edge worktops. Four Feelwood oak decors are available in 38 mm square edge and six material reproductions in 25 mm square edge.

EGGER's extensive range of worktop accessories, fitting tools and 10 year guarantee provides you with everything you need from a single source.

## Features at a glance:

- Durable and impact resistant
- Lightfast and heat and stain resistant
- All 16 mm decors are also available in the 38 mm postformed range
- 16 mm worktops feature the same decor on both sides
- Range of worktop accessories and fitting tools available
- 10 year guarantee when EGGERSseal and Fitting Guide is used

# Worktop Accessories

EGGER offers a range of essential accessories for a complete kitchen.

» For more information visit [www.egger.com/splashbacks-upstands](http://www.egger.com/splashbacks-upstands)

## Splashbacks

A stylish alternative to tiling, the easy to fit EGGER splashback requires no grouting and is simple to look after and maintain. Perfect for those who want minimal hassle and upkeep. Available to order in all decors.

### Dimensions:

3020 mm × 1210 mm × 8 mm

2780 mm × 1020 mm × 10 mm

(For 38 mm Square Edge worktops)

## Upstands (Square Edge, edged on all four sides)

Often used as a contemporary alternative or stylish accompaniment to tiling, EGGER upstands provide additional protection from water ingress to the back edge of worktops. Available to order in all decors.

### Dimensions:

3050 mm × 120 mm × 18 mm

2780 mm × 120 mm × 18 mm

(For 38mm Square Edge worktops)

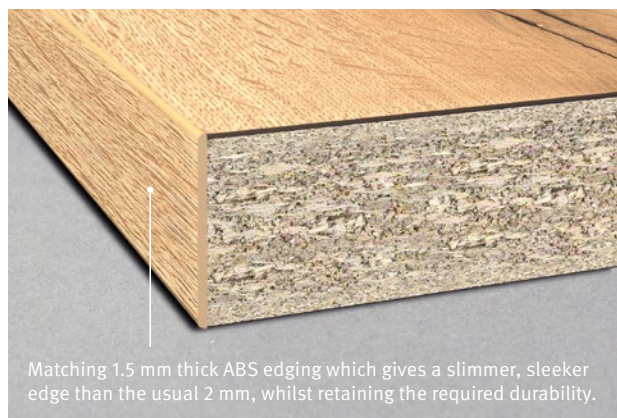

## Matching edging for that finishing touch, because details matter

Matching 1.5 mm ABS edging is available for all worktops:

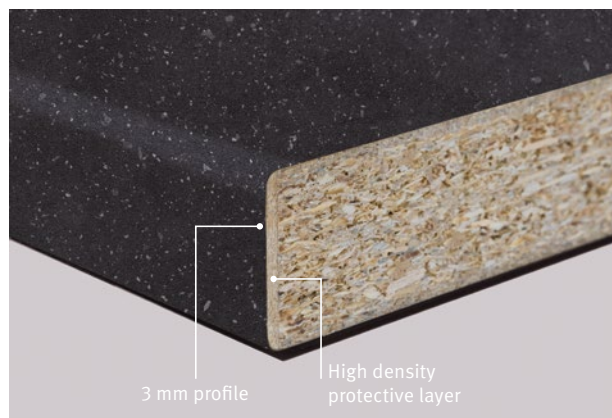

- 16 mm Square Edge Worktops: 23 mm × 1.5 mm × 25 m roll
- 25 mm Square Edge Worktops: 30 mm × 1.5 mm × 25 m roll
- 38 mm Postformed and Square Edge Worktops: 43 mm × 1.5 mm × 25 m roll

ABS Endgrain edging is also available for 38 mm Feelwood Square Edge Worktops: 43 mm × 1.5 mm × 25 m roll.

## Profile Edges

Our **square edge worktops** offer a stylishly sleek profile with clean lines that mirror the look of granite and stone, as well as wood.

Our **postformed worktops** have a unique, advanced, high density protective layer underneath the laminate edge that makes the edge of the worktop more resistant to impact and stops any show-through of the chipboard core.

# Worktop Fitting Tools

## 16 mm Worktop Installation Kit:

- 1 x EGGERSeal (20g) and applicator/scrapper
- 3 x Jointing Biscuits
- 3 x Toggle Bolts
- 1 x 3 mm Allen Key

## EGGER Worktops 10 Year Guarantee

EGGER worktops have a 10 year guarantee when fitted using EGGERSeal adhesive in conjunction with the fitting guide (provided in the installation kit).

All of our worktops are available as PEFC certified. They are also easy to recycle and an environmentally friendly option.

As a result of rigorous testing to the highest standard, our worktops have been awarded the prestigious FIRA Gold Award, reflecting their unrivalled quality.

All decors shown and mentioned are reproductions.

# Our Services

## Worktops Visualiser

With our online visualiser tool you can use the room sets to begin the journey to your dream kitchen. You can check how certain combinations of worktops, splashbacks, end panels and upstands work with doors, shelving and drawer fronts. It allows you to quickly and easily create the type of look you are after.

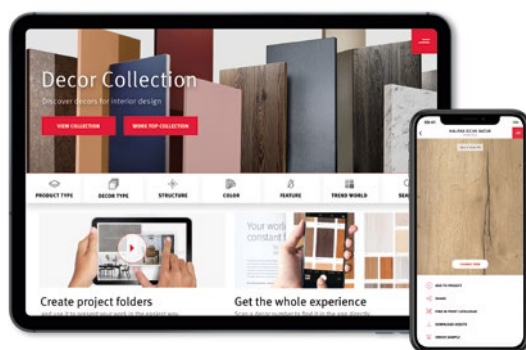

» Visit [www.egger.com/worktops-visualiser](http://www.egger.com/worktops-visualiser)

## EGGER Decorative Collection App

Our app provides the entire Decorative Collection at your fingertips whenever and wherever you are. Find availability info, full board scans, sample ordering and decor combinations all in one place.

Download the EGGER Decorative Collection App now.

## 3D Texture Visualiser

A 2D image of a decor sometimes isn't enough to get a true feel of the surface. Experience EGGER decors in 3D to help visualise how the surface would work in an interior.

» Visit [www.egger.com/textures](http://www.egger.com/textures)

## Support through samples

You can order samples online or order them quickly and easily via the new collection app.
