Callisto

Designed by Rex Jonson

The Callisto collection offers crisp contemporary lines and reassuring comfort, with a respectful hint of 1950s. These versatile designs possess a timeless appeal that will complement any interior. Handcrafted at our workshops in Cheltenham.

Callisto - compilation of simple geometric form and crisp contemporary lines

Handcrafted at our workshops in Cheltenham, Callisto's distinctive underframe is made from the finest quality Walnut and constructed using traditional mortise and tenon joinery. In contrast, the latest CNC technology is employed to produce the hardwood and Birch plywood upper framework, ensuring constant precision and a consistently excellent result.

Callisto Lounge Collection

Callisto’s distinctive under frame is made from the finest quality walnut timber and constructed using traditional mortise and tenon joinery. Meanwhile, the latest CNC technology is employed to produce the hardwood and birch plywood upper framework, ensuring constant precision and a consistently excellent result.
