Inherently flame retardant woven collection

Sanctuary Collection

Living in a busy world and consumed with technology, phones and people, it's a delight to relax in the sanctuary of home and cocoon yourself in calm and comfort. SANCTUARY is a fluid collection embracing the continuous transition of fabric, textures and form. Nature has been an overriding influence with organics and fern patterns creating a firm retreat from a hectic world.

The feature pattern, AURA, reflects on the ferns and leaves found in our serene countryside. ELIXIR captures the iridescent sparkle of the two tone effects so often seen as the light sparkles thorough the leaves in the woods. DIVINE adds some form to the relaxed lines of the collection. PULSE and RHYTHM explore the organic textures and surfaces found in forest landscapes, and SERENE adds great textural influence to co-ordinate in an upholstery role. Sheers are included to endorse the diaphanous character of nature, adding a whisper of colour and a casual laid-back appeal.Colour in SOHO CLUB takes on a historical note, but with a modern twist. Damson, teal, copper and cobalt add newness, whilst black and gold, clay and seal evoke the true colours of the sumptuous Art Deco era.

Colourways are gentle and atmospheric; including versatile neutrals and greys with pops of ginger, lime, teal, damson and indigo.

Independently tested for UK and International FR standards. Wide width (280cm / 110 inches) also available, ask for further details.
