Established in 1996, Global Chair Components Ltd is a leading supplier of chair components and contract furniture in the UK. We are dedicated to **Making Chairs and Furniture Easy**, with a vision to be **The best supplier of Chairs, Components & Furniture from around the world**- in short, your partner of choice.

We strive to offer you unrivalled support whether you seek specific components, complete chair units or other contract furniture. We make it our mission to actively source a wide and varied range from well-established manufacturers around the world.

We invest time and effort in building and nurturing partnerships with these leading manufacturers to enable us to successfully design bespoke products to individual customer specifications, and manage the inherent complexity in sourcing and importing products from locations across the world. We have also developed a specific expertise in project management to support you in the delivery of your projects no matter how complex and challenging.

Global is committed to providing great value and quality. We are a full member of BCFA and SATRA and our products are regularly tested to the highest international standards.

Having sourced the right range, we hold extensive stock and manage the peaks and troughs of demand. UK and European consolidation and distribution takes place from our purpose-built warehouses, distribution centre and offices in Reydon, Suffolk which is located close to the UK container port of Felixstowe and the picturesque seaside holiday town of Southwold on the Suffolk Coast.

The whole Global team is highly focused on and proud of our reputation for providing the very best service, whether it be front end key account management, sales and technical support, operations or finance. Our aim is to make your life 'easier' as both a professional, respected partner of choice and a friendly family business that is down to earth and great to work with.

We hope you enjoy our 2019 Catalogue and very much look forward to continuing to work with you. A warm welcome awaits you should you wish to visit our showroom and operation at any time.
