CHAIRS

Burgess Furniture's new bedroom collection is a celebration of innovation and style.

For the first time we have brought our design skill into the hotel room, to create a range of chairs that make a statement in all types of sleeping spaces.

Each piece has been carefully crafted by our in-house team to meet every guest's need.

From hard-working desk chairs to feature reading chairs, the new collection combines Burgess' renowned comfort with versatile design for defined and distinctive room areas.

Choose pieces that complement or contrast. Mix and match bases to seating function. Design your own interior signature with our wide range of exclusive upholstery and showwood options.

The new Burgess Furniture bedroom range makes it simple to create unique spaces and a first impression that lasts.

JUNEA ROCKER

Designed by Peter Roth

A modern take on a comfortable classic, the Junea Rocker is an eye-catching novelty statement. Available in a choice of upholstery and base options including Natural, Charcoal and Wenge, the clean lines of the Junea Rocker make it a smart addition for any space.

Seamless in motion and exceptional in design, the Junea Rocker will fast become a guest go-to for easy, end-of-the-day relaxation.

Designed by Peter Roth

For stand-alone statement seating, the Junea chair adds a stunning contoured aesthetic. Offering generously proportioned comfort thanks to its structured frame, Junea is as at home in a bedroom as it is in a meeting room with a choice of five bases including castors.

The modern appeal of the Sentrum chair lies in its simplicity. In full supple leather or Burgess' innovative stretch mesh fabric, the Sentrum seat is available with either a tapered cantilever chrome steel frame for a minimalist light and airy aesthetic, or on castors for easy comfort with the added benefit of optional arms.

SENTRUM

TIANI

Designed by Simon Pengelly

Tiani's unique shape perfectly complements contemporary guest interiors. Available for the first time with a new low-wheel castor base, Tiani's ribbed upholstery provides flexible lumbar support for comfortable desk use.

Designed by Peter Roth

An elegantly simple swivel chair, the beauty of CasuElle isn't just its design but the ability to match the room aesthetic through a choice of five different bases. A cost-effective and robust bedroom solution, the four-star wooden base is especially appealing for an on-trend feature chair.

WALSH HIGH BACK & OTTOMAN

The luxury show-stopper of our new bedroom collection, the Walsh high back chair is the epitome of sophisticated feature seating. Available fully upholstered or with a showwood shell, Walsh relaxes into any space when paired with its matching Ottoman. Choose from four different base configurations including swivel chrome and wood stained options to match any bedroom interior.

For compact contemporary spaces, the Walsh low back chair is the perfect partner. Offering outstanding cradling comfort through its wide accessible seat, dress up the room through Walsh's many different combinations of bases and fabrics.

VIRAM

Sit back and admire the classic and cool aesthetic that the new Viram chair instantly creates. With five different base options, its unique rounded showwood shell is shaped for comfort and style. Opt for the castor base and seat it next to a desk. Or pair it with a coffee table as a feature chair. The base options mean there are endless possibilities for the look you want to achieve.

A flexible choice for contemporary bedroom styling, Ryall boasts a wider seat for enhanced comfort. Available with three different base options including a chrome swivel base, Ryall's open, armless design makes it easily accessible for all guests.

Table featured TriSmart TS3 Rectangular

YORATH

Designed to be the feature chair of any room, the Yorath's singular base and low rounded design oozes style and sophistication. With an emphasis on simplicity, Yorath is at home in the most high-end of hospitality bedrooms. The polished 4-star aluminium base is a distinguished finishing touch that complements its unique design.

Designed by Peter Roth

The Room Service Trolley and food warmer box offer hotel staff & guests ultimate flexibility. With 3 different top shapes and two different colours to pick from, the Room Service Trolley can suit any hotel design.

It is an F&B essential for the best in-room dining experience.
