Overview

Established in 1978, we are a family run company based in Birmingham.

We have been manufacturing and supplying the hospitality industry with contract furniture and soft furnishings for over 35 years and have become a well respected and preferred supplier for many hotel, restaurant and pub chains.

We have a comprehensive range of furniture either from our standard range or made to specification for your bedrooms and public areas.

Catering for both Traditional and Contemporary styles.

We also offer a full refurbishment and re-upholstery service to bring your existing furniture back to its former life.

No project is too large or small so get in touch to see how we can help you.

Curtains

Our curtain division provides a full project management, manufacturing and installation service for all your soft furnishing needs. We can supply and manufacture anything from curtains, blinds and hardware to cushions, bed throws, pelmets and anything in between. We pride ourselves on providing a top class service, consistently delivering projects on time and within budget.

We can offer advice on suitable treatments and fabrics and provide a bespoke manufacturing service so that all items are tailor made to your requirements. Our team of project managers will oversee your project from conception to completion.

We work both nationally and internationally and are ideally situated in the heart of Birmingham enabling us easy access to anywhere in the country.

With over 30 years' experience in the soft furnishing industry we will provide you with a top class service.
