

FURNITURE COLLECTION

KNIGHTSBRIDGE  
DISTINCTIVE BRITISH FURNITURE

# All Round Excellence

## Design and Manufacturing

Knightsbridge Furniture have been designing and manufacturing contract furniture for over 70 years producing high quality furniture using a combination of traditional woodworking skills and the latest manufacturing techniques, ensuring you receive the best British made furniture available.

## Quality Standards

Working to stringent British and European Standards we have been awarded BS EN ISO 9001:2008 for our Quality Management System. Additionally, our chairs meet BS EN 15373:2007 for Strength, Durability and Safety and BS EN 7176:2007 for Resistance to Ignition.

## Preferred Supplier Status

We are proud to hold preferred supplier status with both the NHS and SHS along with many leading private health and charitable care organisations.

NHS contract no. 2013/S 022-033974

SHS contract no. TAG 801

NHS Mental Health Contract

Number 2012/S38-061381

Preferred supplier to HSE Ireland

## Environmental Standards

In recognition of our commitments to reducing the impact of our actions on the environment we have attained ISO 14001:2004 environmental management system.

Our timber purchasing policy ensures all timber is sourced from sustainably managed forests. Timber waste is recycled whilst waste reduction techniques are used at every stage of the production process.

We are FSC® Chain of Custody certified to supply products from responsibly managed forests (FSC® C041433). We also hold PEFC Chain of Custody certification to supply products from sustainably managed forests.

### Collingwood Court, Hampshire

Knightsbridge has designed and developed a range of furniture specifically for Collingwood Court, a multi-million pound purpose-built sheltered housing scheme owned by Fareham Borough Council in Hampshire.

Following a visit from the Knightsbridge show van, which features a selection of the company's high-quality furniture, Collingwood Court explained its needs and requirements for the project.

Utilising the latest CAD technology, Knightsbridge worked closely with the council to design a selection of 3D layouts for the one and two-bedroom apartments, before manufacturing the furniture to meet the varied needs of the residents.

A variety of furniture was used to completely fit out the apartments from the living and dining areas to the bathrooms and corridors, to create a homely, and inviting environment for residents and their families.

Speaking about the project, Julian Harrison, business development manager at Knightsbridge, said: "By working closely with the Collingwood Court team, the furniture supplied to the sheltered housing complex has perfectly complemented its resident-centric approach, as well as helping to enhance the support provided to people living there, along with their caregivers and family members."

## Case Study

---

### David Walker House, Lancashire

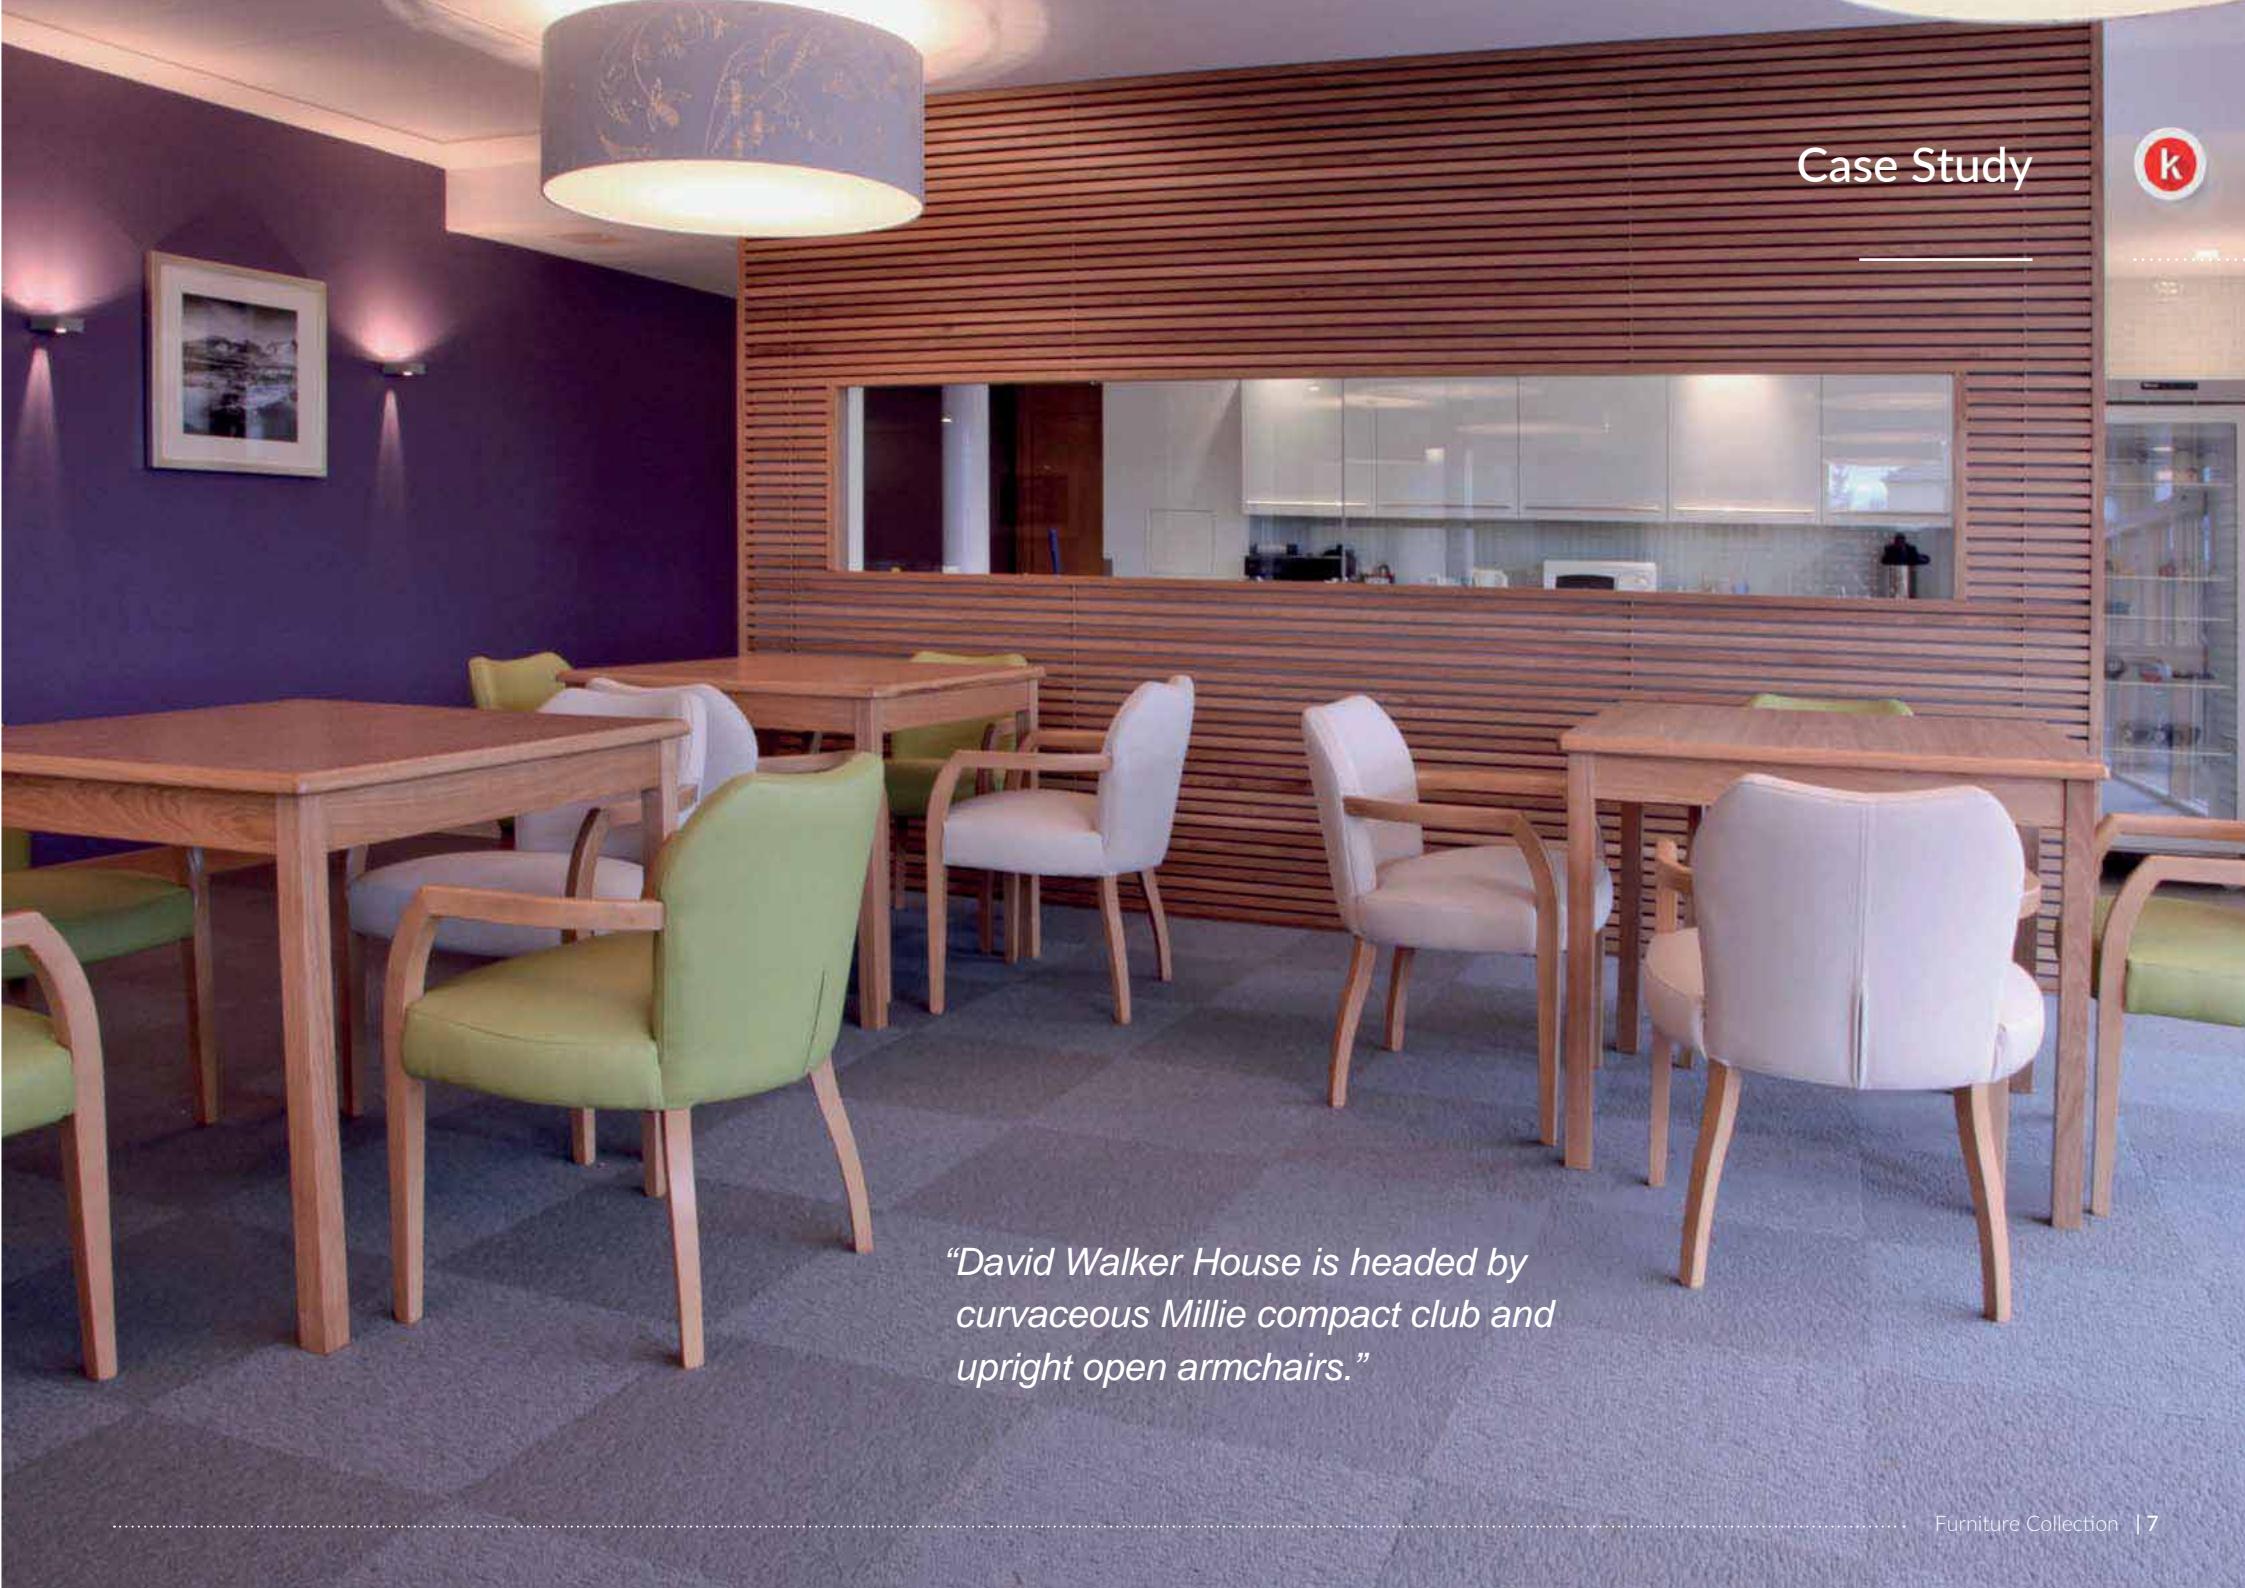

The purpose-built facility replaces an older David Walker House in Rutherglen and has been designed to accommodate 50 elderly residents in 48 private apartments, two having double bedrooms.

The apartments are laid out in three wings over three levels, with the design, furniture and fittings all selected in line with the council's intention to develop a more personalised system of caring for the elderly while promoting both independent living and personal dignity.

In a warm, neutral colour scheme enlivened by accent shades of lime and purple, the Knightsbridge line-up selected for the communal and public areas of David Walker House is headed by curvaceous Millie compact club and upright open armchairs. These sit comfortably alongside Melrose armchairs in wing, club and high-back versions, together with Islay stools, Lynx sofas and a selection of armchairs from the Calm and Panama collections. Each apartment also features armchairs and twin-seat settees from the Madison range of domestic-styled lounge furniture, partnered by Tempo armchairs.

The choice of furnishings reflects the progressive nature of the new facility. During the planning stage, Councillor Eddie McAvoy, Leader of South Lanarkshire Council, commented to the local newspaper that David Walker House marked a 'new generation' in care home provision. 'The new design concept promotes choice, offering privacy as well as maximising opportunities for people to interact with the local community. A real integrated community is being built here'.

*“David Walker House is headed by curvaceous Millie compact club and upright open armchairs.”*

# Domino

---

# Domino

Easy to clean and maintain surface

Easy to operate foot pedal

- The simple compact sofa with minimum effort can be converted quickly and simply to a chaise, daybed or full size functioning bed. Offering reliability and comfort for prolonged visits by guests or family members
- Multiple reclining arm positions
- Legs allow easy floor access for cleaning
- Intuitive conversion from sofa to bed to sofa
- All surfaces of the sofa are easy to clean and maintain
- Operation: Foot-press pedals allow the arms to fold horizontal. Flip over the back cushion to form a convenient shelf. Lift the arms to ratchet into your choice of position
- Great Britain Patent No. GB2483056 European patent application pending No PCT/EP2011/004189 US patent application pending 011755262.0-1258

SHANGK0331  
Shangrila Chair Bed

H	W	D	AH	SH	SD
860	890	860	610	400	530

- Compact and modern design that will complement any environment
- Simple two step movement to quickly transform the chair into a bed
- Available in a large range of colours to suit your interiors
- Built in castors for ease of movement for cleaning purposes
- Deep Reflex foam cushioning to give the ultimate comfort when sitting for long periods or sleeping
- Operation: Easy pull mechanism to release the two bottom sections for the bed, with the headrest tilting to form the third section and provide a full length bed for users

Our large collection of bedroom and lounge furniture is designed with comfort, style and practicality in mind. Each cabinet range comes with an option of 3 handles and a selection of wood finishes to allow you to match your exact requirements.

#### Standard Cabinet Features:

- Carcases are 18mm MFC with 25mm vinyl wrapped tops on cabinets, all wardrobe tops and door/ drawers fronts are 18mm vinyl wrapped
- Hinges open 170 degrees
- Drawers have an easy glide metal sided drawer box with metal runners. A solid back and bottom drawer box allows for maximum strength and stability.
- All bedside cabinets come with a lock as standard, the standard position is in the centre of the top drawer. If the cabinet does not have a top drawer the lock will be placed on the door.

#### Optional Cabinet Features:

- One extra lock in standard position
- Soft close hinges on all doors
- Soft close action on all drawers
- Locking castors - standard at the back, locking at the front
- Wardrobe shelf unit – double and combination wardrobes only
- Wardrobe locking compartment
- Fridge accommodation – selected units only please enquire for further details

# Fabrics & Finishes

## Fabrics

Fabric choice is a crucial element in protecting patients, visitors and healthcare professionals from Hospital-Acquired Infections. Knightsbridge Furniture is able to offer you a wide choice of soft fabrics and vinyls specially designed to cope with the demands of healthcare environments, whilst offering a broad choice of colours and styles. Knightsbridge stock fabrics meet BS5852 part 2 crib 5 flame retardancy.

## Types of fabric

### Vinyl:

Vinyl is practical, low maintenance and is available in a wide range of colours and textures. Durable, fire retardant and liquid repellent, our stock vinyl ranges incorporate anti-microbial ingredients to kill a wide range of bacteria, including MRSA and e-coli and are resistant to many common stains, including urine, mild alkalis/acids, beverages and most common household stains.

### Soft Waterproof Fabrics:

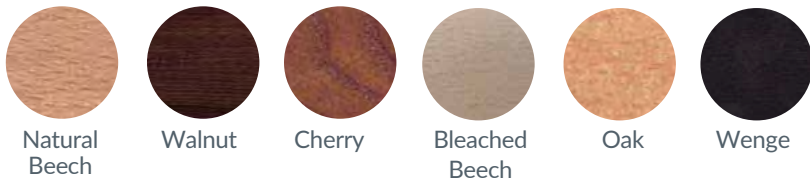

Available in a wide spectrum of colours and designs, soft waterproof fabrics can be used to create relaxing environments without compromising the need for waterproof coverings. Integral anti-microbial ingredients make the fabrics effective against bacteria (including MRSA and e-coli).

### Soft Fabrics:

Where usage is less severe, soft covers can create a more domestic environment and offer a wide selection of designs.

## Wood Finishes

Choose from our selection of wood finishes (available on all our ranges unless specified otherwise), which include Hygiene+ anti-microbial protection to kill bacteria 24 hours a day.

## Expert Advice

We understand the importance of choosing the right furniture and aim to make the selection process as easy as possible. Our experienced sales force and dedicated customer service team are available to provide advice and guidance when selecting both furniture and fabrics.

## Samples

We can arrange to deliver sample products and fabrics to your own premises to assess prior to purchase.

## Showroom

Customers are welcome to visit our extensive showroom, where you can compare and contrast models with the help of our experienced sales team.

## Mobile Exhibition Unit

Our large mobile showroom can bring our products straight to your door to allow you and your colleagues to view our furniture.

## Factory Tour

We extend an open invitation to all of our existing and prospective customers to tour our manufacturing facilities and witness the high standards to which we work.

## Furniture Fabric Care

As part of our after sales package we can provide technical guidance on how to care for your furniture and fabrics.

## Contract Services Management

Large or complex schemes will benefit from our project management service covering pre-contract planning, assistance with order and delivery sequencing, installation services and preparation of schedules for removal of old furniture.

## CAD Layouts

In order to maximise the utilisation of space, we provide a Computer Aided Design service illustrating your products in-situ.

## New for Old

Knightsbridge can assist with disposal of your old furniture removing uplift worries or skip hiring issues. Once you place your order we will deliver, place in-situ and then take away the old furniture free of charge.

## Leasing

We are also able to offer leasing to help you make the most of your budget. Working closely with our leasing partners we can provide a variety of packages from two to five years.

## Renovation

We can renovate your Knightsbridge chairs to "As New" condition, so they can provide you with many more years of service.

## CAD Resource Library

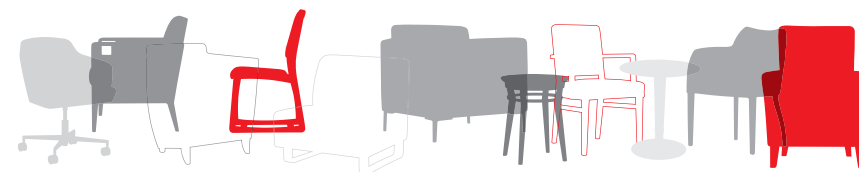

Our CAD resource library includes 2D and 3D CAD blocks and revit files for all our models, available for you to use.
