

Design Inspiration

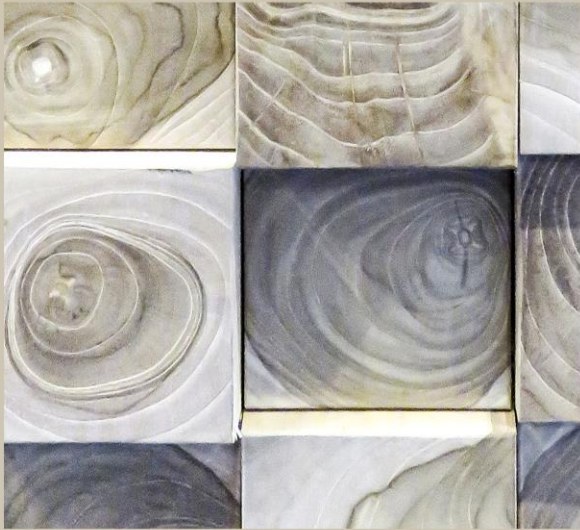

Surface Treatment & Grain

INLAY

A connection with the outdoors. Nature's natural markings creating wavy lines, giving a sense of movement and subtle flow. Contrasting effect by combining geometric blocking and adding a 3D interest.

Colours to be subtle tones of cool greys complemented by warm pale tints of beige.

SPHERE

The circle form represents ongoing life and unity. Creating overlaps with tonal transparency resulting in off beat patterns. Weaving and linking, adding power and strength to a feminine symbol of life.

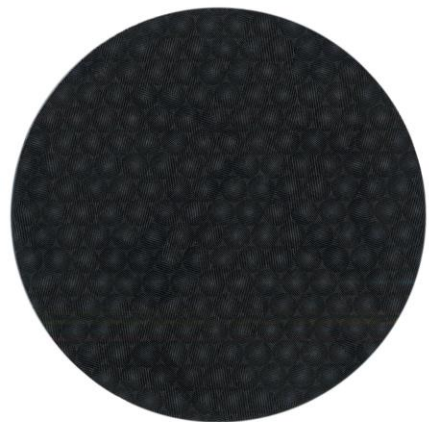

Monochromatic tones creating light and dark shades of interest. Metallics to give added depth within the colour palette.

WOVEN TWIST

Home furnishing inspired, giving positivity, comfort, a sense of calmness and wellbeing. Tactility is important creating overlays with woven and knitted patterns.

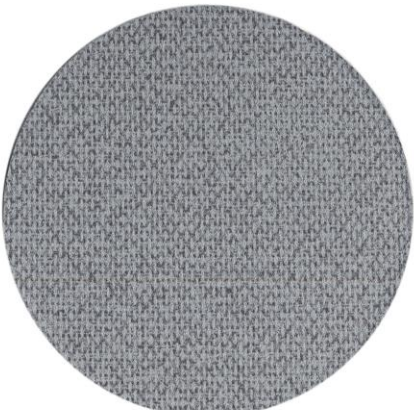

Calming ecru tones, combined with a natural palette of tinted greys.

SOFT TOUCH

Suede effects create a sumptuous velvety feel. The soft touch is enhanced when combined with subtle faded prints. The visual meets the physical, resulting in something rather special.

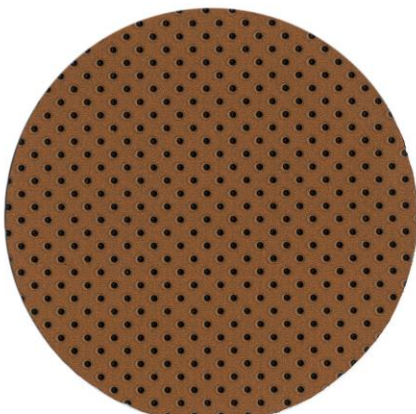

Earth hues which include orange, brown and tans create a feeling of warmth and a sense of security.

PYRAMID

Visual strength of the polygon shape creates building blocks of pattern. Multi-direction linear structures resulting in 3D textures.

Combining matte and gloss finishes with dark shades and hints of earthy tones from nature.

ENERGY

Self expressive urban culture. A combination of multi-layers combining intricate detailing with mixed textures and scale changing patterns. The effect should have a positive, playful connection.

High contrasting tinted darks contrasting with bold accents of hot pink, orange and green
